

THE WHITE HOUSE  
WASHINGTON  
PRESIDENT'S FOREIGN INTELLIGENCE ADVISORY BOARD

January 16, 1976

MEMORANDUM FOR: National Intelligence Officer  
for Strategic Programs

SUBJECT: "Track Record" Study

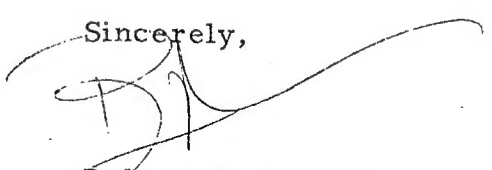

Howard:

I apologize for this delay in responding to your memorandum of 23 December 1975. I find that it very accurately summarizes my recollection of our meeting on 22 December, and reflects the most important points which I believe should be covered in the "track record" study.

I understand that Lionel has already had a lengthy discussion with your coordinator for the study, and I am confident he will continue to be available to provide the group with assistance.

We believe it would be most useful if the completed work were presented to the full Board as an oral briefing of highlights summarized from the written report. Hopefully, it would be possible for this to take place on 5 or 6 February during the next regular meeting of the full Board.

Sincerely,

Robert W. Galvin
